

# AMBASSADORS FOR GLOBAL TALENT

Learning pathway for **service providers**

## WORKING WITH NEWCOMERS

- Learn more about immigrant and refugee job seekers in the United States, the case for employers to hire from this talent pool, and a framework for coaching with cultural intelligence

## COACHING THE U.S. JOB SEARCH

- Discover best practices for how to identify and address common challenges that newcomers face in various aspects of the U.S. job search process

## PROFESSIONAL LICENSING & RE-SKILLING

- Familiarize yourself with different credentialing options for newcomers, advantages of each, and factors to consider when advising your clients

# Jobversity

by UpwardlyGlobal

*Empowering immigrant and refugee job seekers, and organizations that serve them, to build toward an inclusive global workforce.*

Our *Ambassadors* practitioner learning pathway is a digital learning resource for service providers seeking key information and expert guidance about working with newcomers in the U.S. job search.

**Mobile-friendly** web-based courses are available online and on-the-go through any device

**Self-paced** micro-learning makes key professional development accessible for busy practitioners
